## Dear Valued Customer,

Thank you for choosing SunBrite. We're honored that you've chosen us to be a part of your outdoor experience.

At SunBrite, we've been developing and building the finest outdoor TVs since 2005 with the singular goal of delivering the best possible outdoor experience—to bring people together to share in the latest sports and entertainment while also enjoying all that the outdoors have to offer.

To ensure you receive the latest updates from SunBrite, please register your TV at the web address below:

[www.sunbrite.com/support/product-support/product-registration](http://www.sunbrite.com/support/product-support/product-registration)

If, for any reason, you are not completely satisfied with your SunBrite TV, please let us know. Your experience is of the utmost importance to us, and we don't take it lightly. Reach our team of experts Monday–Friday from 9:00 AM - 6:00 PM EST at 866-357-8688.

Again, thank you for choosing a SunBrite premium outdoor television. We know you had options, and we're grateful you chose us to help you create new experiences with your friends and family.

*The SunBrite Team*

## 1 Planning the Location

Veranda Series TVs are completely weatherproof. For the best viewing experience, please install in a shaded environment.

## 2 Sources/Inputs

Signals can be sent from any source using an HDMI, Component, or Digital Antenna connection and corresponding cables.

- To attach a SunBrite sound bar (purchased separately), use the proprietary cable included with the sound bar.
- Refer to the operator's manual for detailed instructions on cable connections.

## 3 Cable Management

After all connections are made, all wires must exit the media bay from the bottom.

- Up to 5 cables can exit the media bay while still maintaining the integrity of the weatherproof door seal.
- Leave a drip loop as the wires enter the compartment.
- Tighten the thumb screws completely to weatherproof the TV.
